

Date: _____

Payment and Use of Allotment

Congratulations on enrolling your student into one of NIT's High School Pathway courses!

NIT is a vendor for many homeschool agencies across the State of Alaska. If your agency has approved direct pay, NIT staff is happy to work with you to complete the process required to use allotment funds to cover course costs.

Please note: it is the student, parent, and/or guardian's responsibility to finalize all financial support with their homeschool agency.

If the homeschool agency is not able to disburse payment in full, it is the student's responsibility to provide payment. If payment is not made in full, the student will be removed from training and credit will not be awarded.

By signing this form, you understand this requirement.

Parent/Guardian Name (if under 18): _____

Student Name: _____

Parent/Guardian Signature: _____
